**TO:** *Mike Foreman, City Manager*

**FROM:** *Walter K Vanatta, Chief of Police*

**DATE:** *January 4, 2017*

**SUBJECT:** *Progress Report – December 2016*

## 1. *Crime and Patrol Summary*

*See attachments. The department responded to 845 requests for service during the month of December. Community Service responded to 85 requests for service.*

*Even though the calls for service were down for this month, the patrol division was busy. School zones are still being patrolled during the drop off and pick up times to provide a safe environment for the children.*

*This month a vehicle was stopped for a cracked windshield. The driver was driving with a revoked driver's license. A passenger in the vehicle was asked to step to the rear of the pick-up. The passenger turned to the bed of the vehicle and "dropped" something that he just removed from his pants pocket. The items, which were two credit cards and a slip of paper with a PIN number on it; were recovered from the bed. The names on the cards were not recognized as names from the area. After a search of social media, the owners were located in a subdivision south of Kremmling. Grand County Sheriff's Office was notified and they were able to talk to the owners of the cards. Both of the owners were waiting for the cards to arrive in the mail. Neither the driver nor the passenger had permission to have the credit cards.*

## 2. *Community Service*

### **3. *Miscellaneous***

*Chief Vanatta and Sheriff Hume, with support from the Craig McDonalds restaurant, held the first “Coffee with a Cop” event November 10th from 7:30 - 9:00 a.m. A free McCafe was provided to all attendees by McDonalds. We had upbeat and upfront conversation about issues important to our community.; no agenda or speeches, just a chance to ask questions, voice concerns and chat with your local law enforcement leaders. We look forward to participating in this event in 2017.*

*December 15<sup>th</sup>, Moffat County Sheriff's Deputy Jeremiah Gordon, SRO Norm Rimmer, and Investigator Travis Young had the chance to do some shopping with local youth. This Cops and Kids opportunity was made possible by the generosity of a local resident and our Walmart store. We live in a great community! Thank you to those involved.*

#### 4. *Investigations - Commander Bill Leonard*

##### *Cases*

- *'Tis the season for numerous new scams. Unfortunately, we had two more of our elderly community fall victim to phone/internet scams during the holidays. Both victims provided Walmart gift card codes to a phone caller who claimed they needed to provide bond money for a relative by using the Walmart codes. Both lost over \$4000. Another citizen brought in a check they received in the mail addressed to them. The attached letter advised them that they had won \$50,000 in the England lottery and that they needed to put the check in their back account and return the amount to a management company to collect their winnings. Luckily this citizen did not fall for this scam. We are again doing a public information campaign on all the current scams, including the new ones that pop up almost daily.*
