TO: *Mike Foreman, City Manager*

FROM: *Walter K Vanatta, Chief of Police*

DATE: *April 5, 2017*

SUBJECT: *Progress Report – March 2017*

1. *Crime and Patrol Summary*

See attachments. The department responded to 1,231 requests for service during the month of March. Community Service responded to 127 requests for service.

Calls for service were steady for the month, the patrol division was busy. We handled approximately 294 more calls for service in the month of March than in the month of February.

I want to highlight that during the month of March the patrol officers had 12 drug related arrests from contacts they made. The contacts included traffic stops, warrant arrests or domestic violence. Most of the arrests were for the Possession of a Schedule 1 or 2 Illegal Substances. We stopped two juveniles for traffic violations and they were charged with Possession of Marijuana.

This month one of the officers was injured during the investigation of a domestic violence incident. The officer was attacked by two dogs when the door of the residence was opened. One dog bit the officer on the hand and the other dog bit the tricep of his arm. One of the dogs was shot at the scene and transported to a local veterinarian for treatment. The wound to the dog was so severe that the dog was euthanized. The other dog was impounded. The owner of the dog was charged in County Court with two counts of "Unlawful Ownership of Dangerous Dog" along with domestic violence charges.

2. *Community Service*

CSOs Josh Wright and Jill Nelson handled the following calls during the month of March.

- *Red tagged nine abandoned vehicles. One vehicle was towed.*
- *No weed complaints*
- *One code violation*
- *Eight junk/trash violations*
- *No Administrative Warnings were issued*
- *Four parking violation warnings were issued*
- *One parking citation was issued*
- *Three code citations were issued*
- *One Abatement Conducted; Cost of Abatements – \$78.00*

Please see the attached Code Enforcement Activity Reports for March.

3. *Miscellaneous*

Nothing to report

4. *Investigations - Commander Bill Leonard*

Cases

- *On the early morning hours of 03-30-17 two males were involved in a verbal disturbance at the Popular Bar. Officers responded and the males involved, identified as Ray Terrill and Justin Blodgett went their separate ways. A couple hours later, officers were called to the alley west of the Trav-O-Tel Motel for a non-responsive male. When officers arrived in the alley they found Ray Terrill not breathing with no pulse. Officers attempted to revive him with an AED but were not successful. Terrill was transported to Memorial Hospital for continued life-saving actions that were also unsuccessful. Witnesses on scene advised that Terrill and Blodgett had a physical fight and that after falling to the ground, Terrill was unresponsive. The investigation continues. Blodgett has now been charged with Manslaughter by the District Attorney's Office. Both were co-workers working at the power plant during the outage. Lots of alcohol consumption was involved in this case.*

- *Sexual Exploitation of Child on Facebook-case turned over to Internet Crimes Against Children Task Force in Colorado Springs to work online sting.*
- *2 sexual assaults on children-both cold cases*
- *ID Theft-Social Security Fraud-Memorial Hospital*
- *Child Abuse case*
- *1 Fraud by check*
- *During the night of 02-1-17, suspect(s) forced entry into Airgas at 323 Russell Street in Craig and stole several cylinders of Nitrous Oxide-commonly known as laughing gas. Although the business contained numerous other high dollar items, nothing else was taken. Apparently this product can be used for a short term "high" but can be a dangerous health hazard if misused. UPDATE: On 03/23/17 all but one of the cylinders were recovered in a storage shed in Gypsum, Colorado. The cylinders were empty when recovered. The suspect in this case and his girlfriend were found deceased from a suspected drug overdose in a hotel room in Vernal, Utah on 03-04-17. I am waiting on reports from Vail PD and then will do a press release with this update.*
