INSTRUCTIONS

The animal noise log is a tool to be used to support your complaint of a nuisance animal in the City of Craig.

Please be as specific as possible, using date, time of day/night, and duration (length of time) of barking, yelping, or howling.

The log is to be kept for a minimum of a continuous 48-hour period. Note only when you are disturbed by the animal noise. It is not necessary to vary your normal routine to monitor the noise.

It is preferable to have one or two other neighbors keep logs of their own to substantiate the complaint.

When the log is completed, it may be turned in at the Public Safety Center to the officer that handled your original complaint.

Please sign and date the log, as this can be used in Municipal Court.

ANIMAL NOISE LOG

6.14.010 – Nuisance Animal – Barking Dogs

“It is unlawful for any person to own, possess or keep any dog which shall disturb the peace and quiet of any person within the city by persistent or continual barking, yelping or howling.”

Persistent or *continual* is up to interpretation of the complainant.

Contact Animal Control at 970-824-8111 or 970-826-2374 for service.
