**TO:** *Mike Foreman, City Manager*

**FROM:** *Jerry DeLong, Interim Chief of Police*

**DATE:** *August 3, 2017*

**SUBJECT:** *Progress Report – July 2017*

## 1. *Crime and Patrol Summary*

*See attachments. The department responded to 1,243 requests for service during the month of July. Community Service responded to 166 requests for service.*

*I want to highlight a violent crime that occurred this month. It started with a domestic situation involving a soon to be ex-husband and new boyfriend; and ended up with a moving vehicle getting shot at and hit by a bullet. The scene was secured and evidence was located. During the search of a residence, we were able to recover the weapon that was possibly used in the shooting. The boyfriend was charged with several felonies. A crime like this normally happens in the bigger cities, but it does show that the city of Craig is not immune from this type of criminal activity.*

*This month Steamboat Springs Police Department posted photographs and information on Facebook wanting information to identify two individuals that possibly had stolen two expensive bicycles from a store in Steamboat Springs. Corporal Gonzales viewed the photographs and was able to identify the two individuals because he had stopped them earlier in the day. When they were stopped, there were two bicycles on a bicycle rack that appeared to be expensive bicycles. He noticed the bicycles were painted a different type of paint. After obtaining more information from Steamboat Police Detectives and with the help of ACET, the individuals were arrested for charges in Craig. Charges will be filed in Routt County for the theft. We were able to help recover bicycles valued over \$5,600.*
