TO: *Bruce Nelson, Interim City Manager*

FROM: *Walter K Vanatta, Chief of Police*

DATE: *September 7, 2016*

SUBJECT: *Progress Report – August 2016*

1. *Crime and Patrol Summary*

See attachments. The department responded to 1,257 requests for service during the month of August. Community Service responded to 145 requests for service.

The patrol division had another busy month handling calls for service. Even though we have been busy we still addressed traffic concerns throughout our community by running radar and observing intersections for traffic violations. One particular intersection, (7th & Pershing) which we have several complaints on, was observed for one hour a day for three consecutive days without any blatant violations. This same intersection was also monitored in the month of July with the same results.

With the start of the new school year we have been spending time in the school zones to help ensure the safety of the students and the motoring public. We will continue to patrol in the school zones throughout the year to help provide a safe environment for students and motoring public.

Currently, we are one officer short in patrol, to compensate we have assigned one of the SROs back to the patrol division as of September 2nd. This officer will stay in patrol until we are able to get someone hired and trained.

Patrol officers are always the first responders; and do the initial investigations and crime scene security for cases like those mentioned in the Investigations Activity.

2. *Community Service*

CSOs Josh Wright and Jill Nelson handled the following calls during the month of August.

- Red tagged eighteen abandoned vehicles. One vehicle was towed.*
- Forty-three weed complaints*
- Seven code violations*
- Thirteen junk/trash violations*

- Eleven code citations were issued
- No Abatements Conducted; Cost of Abatements – \$0.00

Please see the attached Code Enforcement Activity Reports and the Speed Trailer Log for August.

3. Miscellaneous

August 2nd, department personnel participated in National Night Out.

In an ongoing effort to relocate the Turkey Vultures that have taken up roost in downtown Craig; the Craig Police Department in partnership with the U.S. Fish and Wildlife Service have been utilizing loud sound making devices, fired from rifles and shotguns to move the birds out of the City. The shots will be heard late in the evening, just before dark. Recently we have had several people call in reporting "shots fired". All of these reports have been related to the vulture relocation effort. Should you hear shots fired late in the evening, in the area of 7th and Taylor to the Courthouse it is in all likelihood police officers trying to move the birds. This method is being used because the Turkey Vulture is protected under the Migratory Bird Act. This seems to be working, but only for a short time. The birds seem to return as soon as we stop shooting for a day or two.

August 20th, Love INC hosted the Back-to-School Fair. Several department employees participated.

Love INC

Project School Supply

Helping with school supplies is a great way to reach out to disadvantaged families with the Love of Christ. Last year churches and community volunteers were able to fill 248 new backpacks with basic school supplies and distribute them to needy children in the Yampa Valley. It is simple for you, your business, your family, your Sunday school class, or any group to be part of this ministry. Love INC is collecting now for distribution beginning August 20 at the Back-to-School Fair and continuing through mid-September. You can bring donations to Love INC at 656 School Street in Craig, but there will be other collection points as well.

Items most commonly needed:

New backpacks
 24-packs of crayons
 12-packs of colored pencils
 Regular #2 pencils
 Loose leaf notebook paper
 Spiral notebooks
 Facial tissues
 Safety scissors
 Pencil sharpeners
 Rulers
 Glue (liquid or sticks)
 Erasers
 Watercolor paints
 Blue, red, or black ink pens
 Typing paper
 Sticky notes
 Clorox wipes

If you have the heart to help, but can't find the time to shop, a DONATION OF MONEY is valued, too. For every \$25.00 donated, a brand new backpack, filled with new school supplies can be provided to a needy student. Financial donations can be brought to LOVE INC Resource Center at 656 School St. (phone 826-4400) or mailed to P.O. Box 892 Craig, CO 81626.

All donations are tax deductible.

 This flyer explains how to apply for our back-to-school programs benefits.

Clothes for Kids

One of the Love INC churches coordinates a ministry that will make two brand new sets of clothing, a new pair of shoes, and 2 new pairs of socks available to a limited number of qualifying children. Church volunteers will shop and deliver the outfits, usually within 5 days of the start of school. We will be taking applications and qualifying children from August 1st to September 9th. Love INC churches want to reach out to the children in our community and help them start out the new school year feeling their best, like the first-class citizens they are! Call Love INC (826-4400) between August 1st and September 9th to apply.

**Applicant families for Clothes for Kids will have to share monthly income and budget information and also give permission for all information to be verified. Only a limited number of outfits are available this year so don't be the last one to apply. If we run out of clothing donors we will have to turn some children away.*

School Supplies

Love in the Name of Christ organizes Project School Supply. Volunteers help struggling students, Kindergarten through college, all over the Yampa Valley by collecting school supplies and filling brand new backpacks. In most cases, the backpacks are then delivered to the homes of students whose parents have called and applied for the help. We will be taking applications for school supplies for children from August 1st until September 9th. Love INC is organizing this program to equip the children of the Yampa Valley to do their best in school this coming year. Call for more information or to apply (826-4400) after August 1st.

August 31st, Trapper Mine showed their appreciation for law enforcement by treating the Craig Police Department, Moffat County Sheriff's Office and Colorado State Patrol to a wonderful catered lunch. It means so much to all of us that they wanted to share a meal with us and express their gratitude. We are all blessed to live and work in this wonderful community. Thank you Trapper Mine for caring.

4. Investigations Division Activity - Commander Bill Leonard

Investigations:

- *On the morning of 08-21-16, a 4-month old boy was taken to the Memorial Hospital in Craig for “unknown medical problems” according to the parents. Hospital staff here discovered the baby had a skull fracture and immediately flew him out to Children’s Hospital in Aurora. By the time the baby reached Children’s Hospital, he had to be put on life support because of brain swelling and internal bleeding. The baby is still in critical condition as of this report.
